By browsing, registering on, or utilizing any feature of the Platform, you acknowledge that you have read, understood, and agree to be bound by these Terms and our Privacy Policy. If you do not agree with these Terms, you must discontinue platform use immediately.

2. Description of Services & Intermediary Role

Dormn operates strictly as a **digital intermediary platform** under Section 79 of the Information Technology Act, 2000. The Platform provides discovery, communication, and property management tools connecting property owners with prospective tenants seeking Paying Guest (PG) accommodations.

- **For Students & Tenants:** Explore verified PG listings with dynamic pricing filters (city, area, college proximity, gender preference, sharing options) and submit visit or booking requests.
- **For Property Owners:** Utilize property management interfaces to list accommodations, publish photo galleries, manage room pricing matrices, and review tenant applications.
- **For SuperAdministrators:** Platform quality assurance, user moderation, and listing verification.

3. User Responsibilities & Conduct

3.1 Student and Tenant Obligations

- Provide accurate, truthful, and up-to-date personal details during account registration and booking inquiries.
- Use visit requests solely for genuine housing inquiries.
- **Physical Inspection Mandate:** Tenants are solely responsible for conducting in-person physical inspections of property premises, safety features, amenities, and lease agreements before making any advance payments or security deposit transfers.
- Comply with all reasonable house rules, curfew regulations, and safety policies set by property owners upon leasing a stay.

3.2 Property Owner Obligations

- Provide accurate details regarding accommodation pricing, room sharing availability, included amenities, and security policies.

- Upload authentic photographs accurately representing current property conditions without misleading alterations.
- Respond promptly to tenant inquiries and treat all applicants with fairness and non-discrimination.

4. Platform Liability & Intermediary Disclaimers

- **'As-Is' Provision:** The Platform is provided on an 'as is' and 'as available' basis. Dormn makes no express or implied warranties regarding continuous uptime or uninterrupted service.

- **Independent Transactions:** Any tenancy agreements, monetary deposits, or rental contracts formed between students and owners are strictly direct agreements between the respective parties. Dormn is not a party to lease contracts and assumes no liability for landlord-tenant disputes, deposit refunds, or property damages.
- **Limitation of Liability:** To the maximum extent permitted by applicable Indian law, Dormn, its founders, directors, and employees shall not be liable for indirect, incidental, or consequential damages arising from property stays or third-party listings.
